

MISSISSIPPI COUNTY

EMERGENCY MANAGEMENT AGENCY (EMA)

Each county has a full or part-time emergency management program appointed by local government. The list below will allow you to see who your emergency management/civil defense director is and how to contact them.

MEMA has [nine districts](#) throughout the state with an area coordinator assigned to each district as a liaison between the county emergency operations centers and MEMA.

If you received damage from a storm or flooding please report them to your local emergency management office. Find your county below and call the number for your local emergency manager.
